

Good Practices under Swachh Vidyalaya

Sanitation:-

Boys' & Girls' Toilet Block

- In UT of Dadra & Nagar Haveli each and every School has Separate toilets for boys and girls, preferably with one unit generally having one toilet (WC) plus 3 urinals. Almost achieving the ratio of one unit for every 40 students.
- For Menstrual hygiene, facilities like Sanitary napkins, Soaps, water for washing etc is being provided. This coming year UT is proposing to provide Girls' Incinerator for disposal of sanitary napkins in girls' toilet blocks.
- Teachers instruct the students

Hand washing with soap before Mid Day Meal:-

- Hand washing facilities is being provided to the students, so that they can wash their hands before and after having Mid Day Meal.
- Students actively wash their hands with soap after the use of toilet and other hygiene related issues.
- Teachers instruct the students regarding the hand washing benefits and its techniques.

Drinking water:-

- In UT of Dadra & Nagar Haveli, each and every school has provision of Drinking Water facility.
- UT has installed 66 RO plant in various schools. The process of installing remaining schools is under process.
- Sufficient amount of water is being provided for Mid Day Meal too.

Operation and maintenance (O&M) :-

- Toilets, Drinking Water, Hand Washing facility is properly maintained and checked by the school HMs daily.
- UT of D&NH has engaged local sweepers/cleaners for each school.
- PWD-III undertakes the maintenance work of Schools & Toilets as per the school requirement or quarterly basis.
- UT has provided dustbins, cleanliness material like soap, disinfectants, brooms, brushes, buckets etc.

Public Works Department:-

- PWD initiates thorough cleaning of the roof, water outlets, checking for cracks in slab & chhajja etc.
- Levels and cleans the open school ground as per requirement.
- General repair and maintenance work during the vacation
- Major repair of any electrical lines and earthing
- Clean coolers (if any), water tank if required
- Structural repair and plaster work

Swachh Vidyalaya Initiatives:-

- Students initiated the cleaning of school campus & classrooms during Swachh Vidyalaya Campaign.
- School has formed "Shala Swachhta Committee" of students to look after the cleanliness of school classrooms & campus.
- Awareness is also imparted in School Management Committee regarding the Swachh Vidyalaya.

Students cleaning the campus & dressing them

Students cleaning the campus & making it Swachh

Eco Club:-

Students about to make Bio-Manure

- Under Eco Club students are taught to make 'Best from Waste'.
- Gardening in the school campus is taught and also planting of Vegetable/Medicinal shrubs & herbs under Eco club activity.
- Awareness to parents and local peoples regarding cleaning and making the Swachh Vidyalaya and swachh village.
- Students encourage for awareness in healthy environment in school premises.
