

CASE STUDY

Success Story of Govt Upper Primary School Kootakani

Name of School: Govt Upper Primary School, Kootakani
Name of BRC: Bekal
District: Kasargod
State: Kerala

The school is a pedagogically rich ecosystem and it provides clean and hygienic environment for all children.

Govt Upper Primary School, Kootakani, Bekal, Kasargod is one of the best green and clean schools in Kerala. Situated in Bekal, BRC in Kasargod district, the school has won the best Green School award (Haritha Vidyalayam) in 2010. The school campus itself is a text book for the learners. The Parent Teachers Association, SMC, Head Master, Teachers and Students have transformed the school into a bio diversity campus. The lush green campus gives the school a sylvan look. The green school environment of GUPS Kootakani supports, inspires and encourages children to be in the lap of greenery and learn better.

Since 2006, the community and school leadership have been trying to take children closer to nature as far as possible and involves them in taking care of it.
