

Utkrist Vidyalaya Yojana

Rajasthan govt. started Adarsh Vidyalaya Yojana in 2015-2016. In this scheme 1 govt. Senior sec./secondary schools is selected in every gram panchayat. These schools are developed as an integrated school (1st std. to 10th/12th std.). Total 9,848 schools were selected under this scheme. Aadarsh schools are developed as a **mentor school and resource center** for all schools in the gram panchayat.

After the success of Adarsh Yojana, Rajasthan Govt. has started “Utkrist Vidyalaya Yojana” for elementary education. One upper primary school (1st std. to 8th std.) or primary school (1st to 5th std.) is selected to be developed as an Utkrist school. Aadarsh Vidyalaya provides **mentor ship** to these Utkrist schools. In the **twinning** of Adarsh Vidyalaya, Utkrist Vidyalaya will be developed as a **center of excellence** for elementary education in its own gram panchayat.

Utkrist Vidyalaya Yojana was started in 2016-2017. 4,256 schools were selected for first phase (2016-17) & 5,375 schools were selected for second phase (2017-2018). Total 9,631 schools were selected to be developed as an Utkrist School in Rajasthan.

Aadarsh & Utkrist Schools are located in different revenue villages so that both schools will be developed in different revenue villages; that’s why enrollment & other developing areas will not be affected.
