Best School Management Committee (SMC)

Shri Bhorasar Sim Shala has located 8 km away in the interior area from Ranavav block in Porbandar district of Gujarat. Efforts of SMC members' are resulted in good performance of the school. The significant interventions are narrated below which are carried out by SMC members:

1. Improvement in Enrolment of students

- The main focus of the SMC members' is on school enrollment rate. They monitor the enrolment rate rigorously during each enrollment drive. The biggest challenge for the school is that it is located in "Sim" (farm area) far away from the village and there is no transportation facility available for teachers and students. SMC members with the help of villager provide transportation facility to teachers and students hence regularity, attendance and enrollment ratio improved.
- SMC member enthusiastically participates in every activity of the school and training of SMC members.
- Students got the ample opportunities to present their case.
- The villagers conduct donation drives for school during their festivals. A separate committee utilizes collected donations for school development.
- Some of the parents who are associated

with courier and logistics services help in creating awareness on the activities and information of the school.

- **Sanitation:** SMC members aware about cleanliness. They provided soap, hand wash, and towels to school keeping health and hygiene in mind. School premises and Toilets blocks are clean and eco-friendly.

Green school:

- In school kitchen garden, eco club, medicinal garden practices running very smoothly. Apart from this The SMC members and teachers made this BaLA design very useful to education and due to these practices this school was awarded as **Green School**.

2. Quality Education:

- Reading habits have been developed in every child. There are 846 books that have been classified into 16 sections and it is mandatory for every child to read these books.
- The quality of education in the school has been improved. In the year 2009 the school grade was 'D' in the **Gunotsav** result but now the school has received grade 'A' from the last four years. Apart from this, the school has received the district level **School Quality Award** of the year 2006-07 given by GCERT Gandhinagar.
- Members of SMC visit the school and gave their special contribution to the school i.e. for electric work, plumber work etc. They also participated in the State level workshops and various other competitive activities.

3. Documentary film:

- This SMC is selected for the documentary film –“Rojana School Jana” developed by the UNICEF and MHRD. It was among the nine schools selected from the country.

Use of Technology: In school, the computer lab is used regularly keeping practical based education for the students in mind.
